Information About MTA Services:

Office Hours
 Monday - Friday 6 AM to 6 PM
 Saturday 8 AM to 4 PM

Where ever life takes you, we will be there!

Municipal Transit Administration (MTA) buses meet every half hour (on the hour and half hour) at the Central Transfer Point located at 6th Ave. So. and 2nd St. in downtown Clinton. The Lincolnway Shuttle meets at 10 minutes after and 20 minutes before the hour. MTA bus routes serve all schools and commercial-industrial corridors within the City of Clinton. All services are open to the general public.

Guide assistance for first time riders

The MTA will provide a travel trainer for first time bus riders at their request. Properly controlled caged or service animals accompanying persons with disabilities are allowed on the bus. Oxygen carts are allowed. A personal care attendant who assists the passenger rides free.

How to ride the bus

Find your location on the route map and choose the nearest colored route to your location. Turn the map over and find the time schedule which is color-coded to the route. There are several checkpoints along the route that show the schedule times that the bus will be in that area. Arrive at least 5 minutes earlier than the scheduled pickup time. Please have your fare or pass ready before boarding the bus. Children in strollers must be secured or taken out of the stroller and held on the adults lap and stroller folded up under the seat.

Ring the stop request signal approximately one block before your stop. Please keep your feet off the seats and remember to take your belongings with you when you depart from the bus. Remember city buses cannot stop traffic. Please wait until the bus departs before you cross the street. Please observe the priority seating in the front of the bus that is reserved for the elderly and disabled passengers. Please allow the bus driver to concentrate on safely operating the bus. Keep conversations to a minimum and avoid creating unnecessary distractions.

Passengers are not allowed to ride continuous round trips on the same route, even if they have a pass or pay additional fares. Ride to your destination and depart at that location. All passengers must wear shirts and shoes. Roller blades or skates cannot be worn inside the bus.

Waiting for the MTA bus

Please wait on the right hand side of the street on the corner so the bus will not block a street while stopped and arrive at the bus stop location about 5 minutes before the scheduled time. All buses have an atomic clock on board so the driver always has the correct time. The MTA office also uses an atomic clock for the correct time. Make sure that you wait where a driver can see you as the bus approaches. Signal to let the driver know that you want the bus by facing the bus and waving at the driver. You must be at a signed bus stop or on the right hand side of the street at a corner before the intersection. Thank you for riding with us!
